

Breakout Rooms Agenda

Tuesday, February 9, 2021

Breakout Room Topics [including but not limited to ...]

Room 1 | Health: nutrition, obesity, malnutrition, food safety/foodborne illnesses, the rise in antibiotic resistance, working conditions for farmworkers and food production workers

Room 2 | Environment: water, drought, climate change, wildfire, pesticide use, waste, conservation

Room 3 | Economy: local purchasing, small farms + food business, access to distribution & markets

Room 4 | Access/Equity: equitable food access, senior food access, farmworker and food production workers

Breakout Room Workshop Questions:

Q1: What are the most pressing issues in (health, environment, economy, equity/access) in SLO County in your experience?

Q2: What policies exist that address this area currently? Are they at national, state or local level?

Q3: What policies, resources or programs are needed to make change in this area – either new or changes to existing?

Q4: Is there anyone else in the county who is not present but would be good to consult on this?
